Capability Statement

Company:
Office Design & Furnishings (Od&F) is a certified Veteran Owned and HUBZone Small Business. We are located in Southeast Michigan and are actively planning and installing office furniture projects nationwide.

Company Principle:
Fred W. Crandal is the president of Od&F and has been working in the Contract Furnishings industry since 1980, supporting private and public sector clients. Having product specification training with Allsteel, Steelcase, Teknion and Trendway as well as rework project experience with Haworth and Herman Miller systems he has a well-rounded background. Fred is also proficient with AutoCAD, has extensive experience in space planning and project management and has assisted in the development and implementation of work station standards for several companies, including Armstrong Machine Works, The Timken Company, American Electric Power, The Upjohn Company/Pharmacia and ProQuest.

Key Services Offered:
Office Design & Furnishings provides office furniture, shelving, interior signage, and architectural products as well as Project Management Services to include interior design, installation, content moves and move management. We can tailor our services and products to meet your specific needs and cost constraints that will provide you the best possible solution to meet your needs. Please call us so that we may assist you with more detailed information on any items or services you may need. We will not let you down.
